

NICHOLS MIDDLE SCHOOL ANNUAL WALK-A-THON

NICHOLS has HEART

A Walk-a-thon in Memory of Sandy McDermott

Tuesday, May 30, 2017

Nichols Middle School

12:00 pm

The TENTH annual Nichols has Heart Walk-a-thon will be held Tuesday, May 30, 2017 starting at Nichols Middle School! The Nichols has Heart Walk-a-thon is a much anticipated Nichols community celebration that includes a picnic lunch and carnival like games in addition to the Walk.

The Walk-a-thon began in 2007 as a Nichols student council event that partnered students, staff, parents and the community. In 2008, the Walk-a-thon was dedicated to honor Sandy McDermott, a beloved Nichols teacher who died suddenly of a heart attack at school in February of that year. It officially became known as the "Nichols has Heart – A Walk-a-thon in Memory of Sandy McDermott. "

The Nichols Has Heart Walk-a-thon to date has raised over \$200,000

- \$75,000 has been awarded in college scholarships to Evanston Township High School students who also attended Nichols Middle School,
- \$50,000 has been donated to great causes like the American Heart Association and Presence Saint Francis Hospital, and
- \$50,000 has been given to Nichols through departments and the PTA.

Our continued partnership with Presence Saint Francis and an improved social media platform made 2016 our most successful year yet. Adding more community sponsors this year will help to ensure that this great event continues to grow and provide supports for students and other community members throughout Evanston.
